A Note from the Principal

My sincere thanks and gratitude for the warm welcome I received upon my arrival at KP. I was greeted by an enthusiastic student body eager to achieve in the classroom as well as a myriad of athletics and extracurricular activities. You have all constantly exhibited the enthusiasm and effort to learn, achieve, and succeed.

As you begin a new and exciting chapter in your lives, be assured that you possess the skills and knowledge necessary to meet the challenges that lie ahead. Hold on to the values and high standards you have been taught by your family, school, classmates, and friends.

Whether you prepare for college, the world of business, or the military, our best wishes go with you. Always remember those who have supported you throughout your high school years.

Again, my thanks for a wonderful school year.

-Mr. Flahive

For the Class of 2011
"The Best Class Ever"

As you are about to embark on your life's adventure,
I would leave you with this advice:
Life passes all to quickly.
The moments are long but the years are short.
Fill those years with positive things:
Love well, deeply, truly and often.
Let your heart sing!!
Always be kind and do no harm.
Respect your partner.
Treat your loved ones as treasures for the time and tide of life will take them away all too soon and then you will have memories only. Ensure those memories are good ones.
Be fair, honest and just in all that you do.
When you encounter anger, learn to let it go:
Examine it, learn from it, forgive others,
But let the anger go.
Honor work: your own and that of others.
Value intellect for it keeps the world free.

With love and best wishes forever from
Mrs. "E" Erickson Room 209
